

Girls are allowed!

A brilliant opportunity to relax, **Unwind** and be challenged. The invitation is particularly to women leaders, ministers' wives or younger girls or women who know God is calling them to leadership/pioneering situations.

We have a fantastic line-up of speakers who have exciting, inspiring stories to tell.

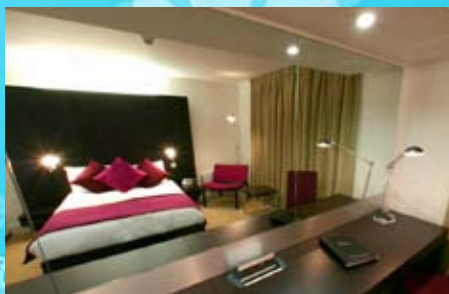

Baroness Cox

Baroness Caroline Cox, at one time deputy leader of the House of Lords, Kate Coleman, who made history when she became the first black female president of the BU, and others who will be part of the event.

Lynn Swart has agreed to join us to lead worship.

Don't feel daunted – they are all ordinary women who have known God's hand on their lives.

Your choice of Seminar Streams:

“Established Leaders:

Are you in a leadership position in church life? This stream will explore the joys, challenges and opportunities of being a woman in leadership and offer some support and encouragement for the journey. It's aimed at Ministers, Youth Pastors, Pastoral workers, Deacons, Elders, and ministry leaders.”

“Emerging Leaders:

Is God calling you into leadership? This stream will look at exploring a call to leadership and the challenges and choices women face when they hear that call. It's aimed at young women (16-25 year olds) who feel that God might be asking them to become leaders, or women who have done something else (career, family, caring) and who think that God is calling them to something new.”

Espoused leaders!?

(That's ministers' wives to you and me!)

This stream will explore what it means to be married to the “the minister”; how to balance the stresses of ministry and life; who you are as a person in your own right and what God's calling is to you.

Main Sessions will run in the mornings so they'll be loads of free time for cappuccinos and chatting, catching up with old friends and finding new ones!

When it's time to relax

There's a great swimming pool on site and squash courts for the energetic.

Saturday evening will provide cafe style chill out with music and entertainment provided. They'll be some fairtrade stalls so why not take the opportunity to do some early Christmas shopping?
